Final Show Details Continued

We need Volunteers! Please contact Parent Volunteer Coordinator **Theresa Anderson** at **408-531-9158** or the Office 408 265-7368. All parents that are assisting backstage or in the Roosevelt Room during the performances should arrive 15 minutes prior to the cast arriving to insure that they receive their security badge and are in position to receive dancers. These parents have been assigned to oversee a group of dancers back stage or in the Roosevelt Room during the shows. They will escort their groups to the stage, wait in the wings while they are dancing and then return them back to their seats during rehearsal or to the Roosevelt Room during the show.

Wednesday, July 13th, Dress Rehearsal!

All young dancers will meet in the Campbell Heritage Theatre and be assigned to a row of seats by dance name. Parents may sit in row behind. Please have their hair, makeup, and costume on when you leave the house. Please have your child wear a man's shirt to protect costume.

The only thing allowed in the theater is bottled water. Don't bring in other food or drinks. Your kids will be escorted backstage by a parent volunteer when it is time for their dance and returned to seats when done. They will be dismissed by artistic director when done.

Saturday July 16th SHOWTIME!

Matinee and Evening Shows. All dancers are to report to the Roosevelt Room one hour before performance time. Please have their hair, makeup and costume on when you leave the house, and wear a man's shirt to protect from any accidents. Entrance to the Roosevelt Room is behind theater next to stage door (see map). Once dancer is dropped off parents must go around to front lobby to enter theater. You can not go thru stage or side doors. Please do not linger in RR during drop-off.

The Roosevelt Room will be used for dancer's dressing rooms and staging area for Saturday's Matinee and Evening shows only (see map). It will be staged with tables and chairs for dancers to use while waiting to go on. We ask that parents pack puzzles etc. to entertain the dancers while their group waits to go on stage. We suggest that you also pack healthy snacks and bottled water for refreshments. We will have a live video feed from the theater stage so kids waiting can watch the show. A Parent Volunteer with security badge will issue you a kids pass when you drop off your dancer. Please make sure you keep this with you. You will need it to pick up your dancer. **All kids will be in finale. Dancers may not be picked up at intermission or during the show unless you have another venue to attend. Please inform security during check-in.**
