CAPITOL DANCE COMPANY

Dear Friends and Family,

We are so happy to have you join us today for our annual summer performances of *Cinderella* and *ICONIC*! As always, our goal is to entertain you with incredible dancing and unique storytelling, and we are sure this year will be no exception. On behalf of our teachers and dancers, we hope you enjoy the show!

A heartfelt thank you to our team of wonderful staff members for all their hard work and dedication throughout the year. Producing a summer performance requires teamwork and our team is simply the best! We are so grateful to our incredible teachers for contributing amazing choreography for their class dances and a special highlight to Miss Chelsea and Miss Cassy for their phenomenal work in producing, costuming and managing all three of our performances. A round of applause to our teaching assistants, dancers and parents who have devoted their time and talent towards these performances. We also have amazing volunteers, seamstresses, and administrative staff that work diligently behind the scenes in making our productions a success. We couldn't do it without you!

To our graduating seniors, we are so proud of you for your dedication and hard work over the years. We wish you all the best in the next phase of your life and we will miss you!

Congratulations to our graduates!

Emma Carlson (*Texas Christian University*), Dekye Dawa Nguyen Rodriguez (*Deanza Community College*), Sunny Ding (*UCLA*), Summer Ooka (*Cal State Long Beach*), Lindsay Loventhal (*San Diego State University*), Kacey Ura (*Cal State Long Beach*), Morgan San Agustin (*San Francisco State*), Norah Zaro (*Chico State*), Kielyana Eikanas (*San Jose City College*), Iona Robinson (*Seattle University*), Jadyn Pisoni (*Cal Poly*), Jessica Rogy (*University of San Diego*), Grace Fang (*Duke University*).

As many of you know, we assumed ownership of the studio this year after our mother, Leslie McCabe, retired. This show celebrates 45 years in business, and we are thrilled to be able to lead our studio into its exciting next chapter. Our heartfelt appreciation for all the love and support you've shown us and the studio.

Sincerely,
Allison & Taylor Fields

ACT 1

Welcome back to the 80s! Colorful fashion, the sounds of new wave, hip hop, rock, and pop music dominate the airwaves and the MTV generation is born. We are introduced to five best friends and "SuperFans" of Madonna, Cyndi Lauper, Whitney Houston, Janet Jackson and Prince. The friends LOVE music and are inspired by the "look" and "sound" of these iconic artists. They will visit the Record Shop, dance and hear new artists at a NightClub and sneak home after almost being spotted by their older sisters to a slumber party in front of their television. The "SuperFans" fall asleep to their favorite music videos and dream of what it would be like to be a video star.

**10 MINUTE
INTERMISSION**

ACT 2

While dreaming, the "Superfans" take on the starring role in their favorite music videos. We will be swept away by the images and music of the incredible artists of the era that have left their mark on music history and culture. The next morning the "SuperFans" wake up to realize it was just a dream but celebrate the sounds of their generation with more friends, a little breakfast and also cover for the older sisters who sneak home way after curfew! We end our show with an iconic rock anthem and encourage you to sing along with us and stand up and cheer for these dancers, this music and the memories we carry from this magical decade.
